MEMORANDUM
RCCI 2007-01 Renewing Sponsors

To: School Food Authorities

From: Katherine Stewart, Consultant
Office of Child Nutrition and School Health

Subject: APPLICATION PACKET, School Year 2006-2007
National School Lunch Program and School Breakfast Program for
Residential Child Care Institutions

The application materials for sponsorship of the National School Lunch (NSLP), School Breakfast (SBP), After School Care Snack (ASCS), school year 2006-2007, are available on the Nevada Department of Education website found at:

<http://www.doe.nv.gov/edteam/ndeoffices/schoolhealth/institutionsrcci.html>

Each year, the School Food Authority must complete a new application packet. The applications are available on the website, to prevent problems with e-mail systems filters. These forms were created in MS Word and can be easily filled out online and then printed for use. All forms must bear original signatures when a signature is required. Therefore, all applications must be returned by mail. Faxed copies of the application are not acceptable for program participation consideration. If you are adding a new child nutrition site this year or the designated official has changed, the permanent agreement will need to be modified.

Please submit school year 2006-2007 application materials, with original signatures, to the Office of Child Nutrition and School Health, no later than June 1, 2006. If you need assistance, please call me at 775-687-7289.

Please return the completed application packet to:
